Education

2021 - 2024

Master of Science in Computer Science

University of Central Punjab, Lahore

CGPA: 3.80 / 4.00

2015 - 2019

Bachelors of Science in Computer Science

Government College University, Lahore

CGPA: 3.42 / 4.00

Skills

- ASP.NET Web APIs
- ASP.NET Core
- ASP.NET MVC
- Angular
- GitLab
- C#
- Entity Framework
- Sql Server / Oracle
- HTML5 / CSS / JS

Highly motivated and results-oriented Full-Stack Developer with a passion for building and deploying innovative web applications. I leverage my proficiency in ASP.NET (.NET Core) for robust backend development and Angular for engaging frontend experiences. Skilled in C#, Entity Framework, RESTful APIs, HTML5, CSS3, and JavaScript (including TypeScript), I seamlessly integrate the power of these technologies to deliver exceptional software solutions.

Work Experience

Nov 2023 - Present

Software Developer - Punjab information Technology Board

- Design, develop, and implement APIs using ASP.NET Core MVC/Web API.
- Build and maintain web services using C#.
- Utilize Entity Framework for efficient data access and manipulation.
- Implement secure practices for user authentication, authorization, and data protection.
- Experience with relational databases like SQL Server / Oracle.
- Design and develop user interfaces using Angular (including TypeScript).
- Write clean, maintainable, and well-tested JavaScript code.
- Implement responsive web design principles using HTML5 and CSS3.

Feb 2023 - Nov 2023

Software Engineer - New Elevation

- Design, develop, and maintain software applications.
- Troubleshoot and debug software issues.
- Collaborate with cross-functional teams.
- Write clean, well-documented, and maintainable code.

Oct 2020 - Feb 2023

Assistant - Punjab Highways Department

- Administrative Support: Manage schedules, appointments, and travel arrangements.
