About Me

Energetic and self-motivated graphic designer desiring a position at a reputable company which is looking for a high-level designer to enhance their team. Understands current trends in marketing and design techniques to create the most revenant and effective designs for multiple purposes.

Work Experience

Hussain Rehar (Fashion Brand) - Current

Sole Graphic Designer

I'm the Sole Graphic Designer who's leading all the graphical work of Hussain Rehar and it's sub brands. Also anything related to direction for photoshoot and handling all the meetings related to upcoming collections. From collections coming soon to finishing touch, all the graphics are handled under my experience. Contributing creative prowess and keen attention to detail in designing and developing cutting-edge collections. Collaborated closely with the design team to bring innovative concepts to life and deliver captivating fashion pieces that resonated with the brand's vision and clientele.
