SUMMARY

Complex problem-solver with analytical and driven mindset. Dedicated to achieving demanding development objectives according to tight schedules while producing impeccable code.

EXPERIENCE

DevisersTech

July 2023 - October 2023, Lahore, Pakistan

- Designed and developed SOAP and RESTful APIs using Java Spring Boot Framework, ensuring efficient communication between front-end and backend systems.
- Utilized JDBC to connect to databases and manipulate data, implementing secure and optimized database operations.
- Tested and debugged APIs using Postman, verifying functionality and performance under various conditions.
- Troubleshoot and debugged issues with web applications, identifying root causes and implementing solutions to ensure smooth operation and optimal performance.
- Designed and developed the user interface and user experience (UI/UX) for the Tiqmo mobile application, ensuring intuitive navigation and engaging user interactions.
- Created wireframes, mockups, and prototypes using industry-standard tools such as Adobe XD , presenting design concepts for review and approval.

PROJECTS

Al Noor Hospital System

Al Noor Hospital • November 2023 - February 2024

- It provides a centralized solution for managing all hospital-related activities, leading to streamlined workflows and improved operational efficiency.
- This accessibility allows for better patient care, personalized treatment, and informed decision-making.
- The system helps schedule and track patient appointments, reducing waiting times and ensuring optimal utilization of resources.

Tiqmo

Devisers Tech • September 2023 - September 2023

EDUCATION

Bachelors of Computer Science

University of Central Punjab • Lahore, Pakistan • 2024 • 3.47

FSc Pre-Engineering

Aspire College • Multan, Lahore • 2019

Matriculation

F.G Boys Public School • Multan Cantt, Pakistan • 2017

Co- Curricular

President of GamingDen Society

University of Central Punjab • March 2023 -April 2024

Director Registrations TAAKRA 2024

University of Central Punjab • November 2023 - March 2024

Deputy Director Campus Ambassador TAAKRA 2023

University of Central Punjab • December 2022 - March 2023

SKILLS

Backend: C/C++, JAVA, Node Js, Python.

Database: My SQL, PostgreSQL.

Frontend: HTML, CSS, BOOTSTRAP, JAVASCRIPT and React Js.

Version Control: GIT, GITHUB and BIT BUCKET.

Api: Postman
