Summary

I graduated with a Software Engineering degree from Lahore Garrison University and have over a year of practical experience in SQA, having skills both Manual and Automation Testing. My skills include proficiency in Manual Testing tools such as Jira, Click Up, Asana, Shopify, Test Rail, Regression Testing, Smoke Testing, and API Testing, as well as Automation Testing tools like Cypress, Core JavaScript, MySQL, UI Testing, Git, and GitHub. As I have expertise in advanced testing methodologies and collaborative workflows, I am ready to make valuable contributions to projects.
