PROFESSIONAL EXPERIENCE

KOD X SYSTEM Pvt LTD

Full Stack Developer

Aug 2022 - Present

During my two years at KOD X SYSTEM, a dynamic startup, I gained significant experience, particularly in AI integrations. I also successfully led two major projects, overseeing a team of six to seven people, which further honed my leadership and technical skills. Improved employee retention by adopting a new internal communications methodology and restructured employee benefits.

Accomplishments:

- Developing responsive websites using HTML, CSS, Tailwind CSS JavaScript and modern frameworks.
- Building full-stack applications using MERN and MEVN stacks.
- Integrating third-party APIs to improve functionality and user experience.
- Optimizing website performance for faster loading times and better user interaction.
- Fluid communication with customers.

WIZMEN SYSTEM

Junior React/Node.js Developer

Jul 2019- Aug 2022

Accomplishments:

- Architectural design decisions to ensure scalability, modularity, and maintainability of the application in the long run.
- Facilitated communication between technical teams and non-technical stakeholders to ensure alignment with project requirements and goals.
- Fostered a positive work environment by encouraging teamwork, open communication, and employee recognition initiatives
- React.js and Node.js Oracle Database
