Experience

SQA ANALYST, Geeks For Growth USA (Remote Job)

Feb/2021 to Current

In my role as a Software Quality Assurance Analyst at GeeksforGrowth USA, I conducted thorough testing on multiple websites. I utilized diverse testing methodologies to ensure seamless functionality, impeccable interfaces, optimal compatibility, and a user-friendly experience. Some notable achievements include:

- Executing thorough Functionality Testing, ensuring flawless project operation.
- Conducting in-depth Interface Testing to enhance the overall user experience and visual appeal.
- Performing rigorous Compatibility Testing across different platforms, ensuring broad accessibility.
- Focusing on Usability Testing to optimize user interaction and satisfaction.

In this role, my commitment to excellence significantly contributed to delivering high-quality, bug-free software, and exceeding user expectations.

SQA ANALYST, LeadPops Ltd. USA (Remote Job)

Sep/2020 to Feb/2021

As an SQA Analyst at LeadPos Ltd., I understood product flow and tested applications according to design and functionality.

Responsibilities included:

- Assigning Jira and BugHerd cards to developers post-QA and verifying fixes after implementation.

SQA, Web Scraping, and Data Management, Grizzly Atoms USA (Remote Job) Feb/2020 to Sep/2020

Responsible for scraping data from different US e-commerce websites, I contributed to marketing purposes by testing websites developed by Grizzly Atoms. Focus areas were mainly Fashion, Aircraft, and Electronics devices-related data. Additionally, I maintained data in our database and applied filters as needed.

Shopify Developer, Exoah Ltd. Lahore

Oct/2019 to Jan/2020

As a Shopify Developer, I created and customized e-commerce stores, edited liquid files, designed according to provided specifications, and integrated various Shopify apps. Notably, I developed a product delivery tracking app with the assistance of a senior developer.

Professional Projects

Shopify Website Development

Developed E-commerce websites for Exoah Ltd. from scratch, implemented payment gateways, and integrated product tracking apps.

Technologies:

Shopify CMS, MySQL, Bootstrap

Website URL(s): <https://patolawear.com/>
<https://tinyjumps.com/>

Teaching Experience:

MS Word/Excel Workshops for Teachers at Star Public School Karachi

- I have been providing MS workshops to Teaching Staff
- I have been involved with School for providing Students computer Courses including MS excel, Adobe Photoshop and Some digital Marketing Skills

Home Tutor:

With over 7 years of experience, I have been tutoring O Levels and Federal Board students from prestigious institutions such as Army Public School Karachi, The City School, and Beaconhouse School. My core expertise lies in teaching Mathematics and Computer Science.

Education

- | | |
|---|-------------|
| • BSCS, IQRA UNIVERSITY, KARACHI | 2015 – 2019 |
| CGPA: 3.05 | |
| • HSC, Gov Girls Degree College Gulstan e Johar | 2012 – 2014 |
| Division: 2nd | |
| • Matric, Rawalpindi Board | 2012 |

Academic Projects

SURVAY SPECTRUM [FINAL YEAR PROJECT]

Final Year project in core C#, the main feature of the system is to perform sentiment analysis on unstructured data and to provide real time results of the surveys. The other requirement of the project was to gather all system and software requirements (Entity Relation Diagram, Data Flow Diagram, Gantt chart, Functional and Non – functional requirements and Test Cases).

Technologies:

C# , .Net MVC , Sql , Google Natural Language API

EMPLOYEE MANAGEMENT SYSTEM

Employee Management System was designed to make the task of storing the employee information easier. It stored all the information related to the employee regarding his job, department, salary, contact number, etc. This also ensured security of data and easy retrieval of the data whenever necessary

Technologies:

C#.NET, JavaScript, HTML/CSS, SQL
