## Associate MERN Stack Developer

A MERN Stack developer passionate about creating web applications using MERN Stack technologies. I have spent 1.5 year in both frontend and backend development and have the capability to convert any design into a fully responsive and functional web application along with the ability to use Git & GitHub and knowledge of software development standards. Also, I have strong communication skills for effective collaboration with teams.

## Experience

### Associate MERN Stack Developer

Arhamsoft (Pvt) Ltd

March 2024 - Present

My responsibilities as Associate Developer were to:

- Collaborate with senior developers to understand requirements and deliver solutions
- Writing clean, structured, efficient, code using coding standards and best practices
- Building responsive Web Layouts according to the design and requirements

### MERN Trainee

Arhamsoft (Pvt) Ltd | TechLift Bootcamp

Oct 2022 - Jan 2023

Learned from the industry experts about MERN Stack Technologies along with an overview to software development standards followed in Industry.

## Volunteer Experience

### Web Development Team Lead

Google Developers Students Club - Bahria University, Lahore

Oct 2023 - Present

My responsibilities as Web Development Team Lead are:

- Provide technical guidance and support to team members
- Organize and lead workshops and training sessions related to web development

## Honors & Awards

### WEBCAMP Trainer

Google Developers Students Club - Bahria University, Lahore

Feb 2024

Recognized for delivering 5-day WEB Development Training Sessions at WEBCAMP - A Bootcamp organized by GDSC-BULC - where I had the opportunity to share my learning with 50+ Trainees.
