- Playing cricket with friends or in a local club
- Watching cricket matches, tournaments, or highlights
- Collecting cricket memorabilia or trading cards

Skills Improvement:

- Practicing a musical instrument to enhance proficiency
- Participating in workshops or seminars related to your field
- Engaging in hands-on projects to develop practical skills

Exercise:

- Regularly going to the gym for workouts
- Jogging or running in the park
- Practicing yoga or Pilates for flexibility and strength

PROJECTS

Final Year Projects

"Welcome to Myra Pakistan" epitomizes a captivating tourism website, harmonizing HTML, CSS, and JavaScript for its enchanting front end. Backed by PHP and SQL database integration, this project, attaining a **3.50 CGPA**, vividly showcases Pakistan's scenic splendor. Hosted on a local server, it showcases my adeptness in web development and passion for promoting Pakistan's cultural heritage.
