

KAMRAN QADEER

Asp.Net Developer

3+ year Experience

With over 3 years of professional experience as a .NET Developer, I specialize in crafting robust web applications. Proficient in ASP.NET MVC, Web API, Entity Framework, SQL Server, and JavaScript/jQuery, I excel in developing, deploying, and optimizing applications. My background includes successful projects, database design, and dynamic client-side scripting. Detail-oriented and a strong problem solver, I thrive in collaborative environments. Passionate about continuous improvement.
