PROFESSIONAL EXPERIENCE

Software Developer Intern, Mobiurja Pvt. Ltd. [↗](#)

Dec 2023 – Jan 2024

Remote

Project: Led migration of Upaay from PHP to React+Node+MySQL, improving performance and adhering to industry standards.

Achievements:

- Implemented Redis caching, reducing data load time by 67%,
- Acquired hands-on experience leading to a deep understanding of full-stack development, optimized database performance, and responsive UI design.
- Gained valuable insights and skills applicable to real-world software development scenarios.

SKILLS

Next.js | TypeScript | React.js | Node.js / Express.js | Redux | HTML,Css,JavaScript | PostgreSQL | MongoDB —
mongoose | TailwindCss | Bootstrap | MySQL | Prisma | Redis | GraphQL | Zod | Framer Motion |
React Native | Git/Github | Java programming | Python — Django | C / C++

PROJECTS

Ecommerce Website (Next.js) [↗](#)

- Developed feature-rich ecommerce site with server-side rendering using Next.js.
- Implemented robust user authentication through next-auth.
- Integrated MongoDB for backend, improving efficiency with Redis caching.

OmniAssistant: Your All-in-One AI Assistant [↗](#)

- Innovative web application combining GEMINI PRO and GEMINI PRO VISION models.
- Features communication, recipe generation, image recognition, and PDF Talker for discussing PDF content.
- Technologies: Next.js 14, PostgreSQL, Redis, Prisma, Zustand, Framer Motion, GraphQL, Zod, NextAuth.

Dynamic Blog (Next.js) [↗](#)

- Developed responsive blog using Next.js.
- Utilized MongoDB for optimized storage, enhancing data efficiency.
- Improved performance by 30% through Redis caching.
- Enhanced post discovery by 40% with added search functionality.

Realtime Chat Application (Next.js, Pusher, Redis) [↗](#)

- Developed Realtime Chat App using Next.js, Pusher, and Redis.
- Achieved instant communication with Pusher for real-time updates.
- Ensured robust and scalable storage using Redis.

CUK Website, Central University of Kashmir [↗](#)

May 2024 – present

EDUCATION

B.Tech in CSE, Central University of Kashmir [↗](#)

"Enrolled in 6th semester"

Dec 2021 – present

Ganderbal, India

CERTIFICATES

Internship @Mobiurja [↗](#) | Intro to Front-End [↗](#) | HTML and CSS in depth [↗](#) | Programming with JavaScript [↗](#) |

React Basics [↗](#) | Version Control [↗](#) | Introduction to Back-End Development [↗](#) |

Technical Support Fundamentals [↗](#)
